**Red Top Cab Remembers:
Will Donate \$1 for Each Cab Dispatched on 9-11 to Memorial 5K**

(Arlington, VA) -- **If you don't run, ride!** That is [Red Top Cab's](#) message as it remembers the victims and honors the firefighters and police officers who responded on 9-11 ten years ago. Red Top will donate \$1 for each ride dispatched on the upcoming anniversary, along with contributions from drivers and employees, to the [10th Annual Arlington Police, Fire & Sheriff 9-11 Memorial 5K](#). All proceeds will go to 9-11 related charities such as the Wounded Warrior Project and the Fisher House.

Red Top volunteers will also participate at the race on Saturday, September 10th -- some running, others assisting with event coordination.

If you can't run, you can still support the Memorial 5K Fund by **Riding Red** on Sunday, 9-11. Please partner with Red Top Cab as we help support this worthy cause!

##

From its humble two-car beginning in 1964, Red Top Cab has grown to be one of the largest taxi companies in the region, priding itself on safety, comfort and prompt service. Red Top was first in Arlington with a large fleet of wheelchair accessible cabs and first to build a fleet of greener, cleaner hybrid cabs. In addition to its sponsorship of the Arlington Police, Fire & Sheriff 9-11 Memorial 5K, the company supports many other community initiatives, including SoberRide, Capital Hospice and the Senior Olympics.
